PHILANTHROPIC

EDUCATION LIAISONS

Ensure that a team of adults is informed and engaged. Liaisons also partner with the student to create and monitor progress on education plans.

PARENTS, FAMILY & CAREGIVERS

Bring unique insights about the student's life and day-to-day challenges.

PROBATION OFFICERS

Work with the student, school and caregivers to ensure a thoughtful and supportive transition back into school.

FRIENDS

Youth consistently identify their friends and peer mentors as among the more important relationships that they form that can support them in school.

MENTAL HEALTH

Therapists and other mental, physical and emotional well-being.

COACHES, **MENTORS AND OTHER LOVING ADULTS**

Individual the student identifies as "in their court" and serve as champions for the young person's success.

PROFESSIONALS

individuals who are providing support for the the students

SOCIAL WORKERS

Prioritize education and school stability as critical to child well-being.

ADVOCATES

HIGHER EDUCATION **CAMPUS SUPPORT MENTORS**

On campus supports for students while in college or vocational school.

EDUCATION RIGHTS HOLDERS

Legally entrusted by the court to make important educational decisions on behalf of the student.

SCHOOL **PERSONNEL**

Share timely education information, help to ensure credits are properly transferred and link students with school-based resources.
