

Professional Development from Attendance Works

"I appreciate all the ready-made resources that you provide that we can utilize immediately with our teams!" - Participant

Are you concerned about the persistent high rates of chronic absence in your schools and districts?

The Attendance Works virtual 3-part training series for educators is here to help! You and your team will:

- Leave with proven, evidence-based tiered strategies to engage students and promote attendance.
- Learn which attendance measures to monitor to identify students in need of engagement and support.
- Have opportunities to interact with peers and the Attendance Works team in breakout rooms.

School administrators are encouraged to attend with their teams. The series cost is \$300 per person. All sessions are eligible for Title 1 and Title 2A funds. When possible, we encourage states and districts to partner with community foundations or other local funders to cover the cost.

States and districts interested in a customized series for local participants can contact Attendance Works for an estimate at help@attendanceworks.org.

Class 1

Whole School Engagement Strategies for Reducing Student Absenteeism

- Measure attendance and participation in a variety of learning settings.
- Explore the framework of multi-tiered strategies that moves schools towards prevention and early intervention.
- Draw on high leverage, whole school strategies to create a positive school climate and strong relationships with students and families.

Class 2

Early Intervention Strategies: Using Teams to Monitor & Identify Students in Need of Support

- Learn which attendance measures to monitor to identify students in need of engagement and support.
- Identify the five key functions of a school team that addresses attendance.
- Select evidence-based strategies to address common reasons for absence.

Class 3

Partnering to Make a Difference

- Mobilize school staff, community and agency partners to provide support.
- Learn how to have more effective conversations with families about attendance.
- Determine if your efforts are making a difference.
