- ❖ [Outline & Summary of Resources](#)

## Introductions

### *Please share in Chat:*

- Name
- Role
- Organization
- When it was hard for you to attend school, who or what helped you get there?

## Three E-Learning Sessions

During these sessions, participants will learn how to work as a team to take a multi-tiered approach to improve attendance in their schools:

- ❖ **Session 1** — Whole School Engagement Strategies for Reducing Student Absenteeism
- ❖ **Session 2** — Early Intervention Strategies: Using Teams to Monitor and Identify Students in Need of Support
- ❖ **Session 3** — Partnering to Make a Difference

## Learning Goals for Session 2

### *Participants will:*

- Learn which attendance measures to monitor in order to identify students in need of engagement and support.
- Identify the key functions of a school team that addresses attendance and take stock of where they are in having a high-functioning team.
- Name the assets, barriers, and strategies that affect attendance.

## Session 1 Review

(poll)

1. Chronic absenteeism can result in the inability to read proficiently in 3<sup>rd</sup> grade, lower achievement in middle school, increase high school dropout, and contribute to greater gaps between student groups. **(True or False)**
2. The most effective approach to reducing high levels of chronic absence across a school is to focus on the students with the most absences. **(True or False)**
3. Effective whole school strategies are those that invest in strong relationships with students and families and create positive conditions for learning. **(True or false)**

# Reducing Chronic Absence Requires a Team Approach

## What makes a team effective?

### *Type in Chat:*

Describe one value that is essential to an effective team.

## Primary Purpose of a Team Approach

Organize and facilitate a schoolwide attendance strategy and ensure it is an integral component of the school's plan to improve outcomes for all students.

- 1. Organize a multi-tiered attendance strategy that begins with prevention and early intervention.**
- 2. Examine attendance and absenteeism data to assess which groups of students have higher or lower levels of absence.**
- 3. Identify assets, barriers and strategies that affect attendance.**
- 4. Mobilize everyone in the school community to address attendance.**
- 5. Determine if you are making a difference.**

# Attendance Team in Action

<https://vimeo.com/260324608>

# Ensuring Attendance Requires a Team

*The Attendance Strategy should be led by the school principal and the leadership team.*

**Teams working on improving student attendance could include the school's:**

- \* Nurse
- \* Counselor
- \* Social Worker
- \* Administrative support staff
- \* Special education staff
- \* Teachers
- \* Early education staff
- \* Sports coaches
- \* Community School Directors and Coordinators
- \* Expanded Learning program staff
- \* Family Resource Center Directors and Coordinators
- \* Attendance Officers

Members should be able to bring the perspectives of the student demographics. Teams should incorporate input from families and students along with the community.

## Determine which team(s) will assume the attendance MTSS functions

- Map all the teams that currently operate in your school by purpose, membership and meeting schedule.
- Identify areas of overlap, redundancy and/or gaps.
- Consider if attendance responsibilities can be integrated into an existing team (e.g., PBIS, RTI, MTSS, EWIS grade-level, etc.).
- Consider if different teams can assume responsibility for each tier and how efforts will be coordinated across teams.
- Determine if a new team needs to be established.

- Stand-alone attendance team
- Positive Behavioral Intervention Supports or PBIS team  
(attendance and behavior)
- Multi-Tiered Systems of Support (MTSS) team
- Response to Intervention (RTI) team
- Early Warning Indicator System (EWIS) team

# Suggested Agenda Items for Teams

## I. Aggregate Data Trends

High-level picture of all students by tier and attendance categories; changes since last meeting. Is it getting better? Worse?

✓ Parents/Students/Community Partners can be involved

## II. Unpacking Patterns

Identify any patterns or trends across groups of students and interventions including insights about common barriers or what might be contributing to positive outliers.

## III. Tiered System of Support

Strategies for strengthening your tiered system/ year long approach

## IV. Tier 2 and Tier 3 Students

\*Review individual students as a team; determine who follows-up with individual or groups of student(s) and/or families

\*Outreach to students and families to determine barriers causes for absence; assign interventions and offer appropriate resources

## V. Meeting Decisions and Next Steps

## Roles and Responsibilities

### Core Team roles include:

- ❖ Team facilitator/leader
- ❖ Data coordinator
- ❖ Note taker

### Tips:

- Divide up responsibilities
- Create opportunities for everyone to contribute their insights
- Encourage clarifying questions
- Don't just focus on problem but create time to reflect on assets.
- Keep school staff informed and engaged.
- Establish regular meeting schedule for the school year.

## Avoid Common Pitfalls

- ✗ Establish a team that **operates in isolation**
- ✗ **Fail to rally whole school** to support prevention & early intervention
- ✗ Focus only on students with **most absences**
- ✗ **Case management** as the sole strategy
- ✗ **Jumping to solutions** without sufficient understanding of factors behind absences
- ✗ **Team composition does not reflect the demographics, perspectives or cultural realities of the student population**

# School Self-Assessments

## How well does your school...

- Accurately & consistently take attendance every day
- Utilize a team to address attendance
- Provide a welcome & engaging climate

SCHOOL PRACTICE SELF-ASSESSMENT: rev. 5/25/2022

### Does Attendance Really Count in Our School?

*A Tool for Self-Assessment*

| Key Element   | Strength | OK for Now | Could be Better | Urgent Gap | Don't Know | How do you know? |
|---|----------|------------|-----------------|------------|------------|------------------|
| 1. <b>Accurate Data:</b> Teachers and school staff take attendance accurately and it is entered daily into the district data system.  |          |            |                 |            |            |                  |
| 2. <b>Team to Address Attendance:</b> Our team, led by an administrator, meets at least every two weeks to: (a) monitor attendance data and trends; (b) coordinate the school's multi-tiered attendance strategy; (c) examine the reasons for absences using quantitative and qualitative data; and (d) ensure chronically absent students receive needed supports. |          |            |                 |            |            |                  |
| 3. <b>Engaging Climate:</b> Our school has a welcoming and engaging climate that promotes safety, belonging, great teaching and learning, and interpersonal relationships with students, families, and staff.   |          |            |                 |            |            |                  |
| 4. <b>Culture of Attendance:</b> Our school promotes a culture of attendance.   |          |            |                 |            |            |                  |

# Year-Round Planning

**Plan activities and events that keep a focus on improving attendance all year long.**

- ❖ See sample activities for PreK, K-12 and district teams

- ❖ Remember to specify who is responsible for leading and how to measure the results

SAMPLE ACTIVITIES for K-12: rev. 5-19-21

### Attendance Activities School Year Plan (K-12)

School Year

Activities in the grid are examples. You can customize the plan for your school or program. For each activity, specify who is responsible for leading and how to measure the results. You can also recreate this chart in a larger format and use post-it notes to add activities as a group exercise. See the 3 Tiers of Intervention (<https://www.attendanceworks.org/chronic-absence/addressing-chronic-absence/3-tiers-of-intervention/>)

| Timing                | Before Start of School Year<br>(July/August)   | Welcome Back<br>(August/September)  | Ongoing<br>(Weekly)   | Fall Semester<br>(October – November)  | Winter Semester<br>(December – February)   | Spring Semester<br>(March-April)  | End-of-Year<br>(May/June)  |
|-----------------------|--|---|---|--|--|---|--|
| School Team           | Establish school team to address attendance. Develop a yearly attendance plan and goals. Agree on metrics to monitor for in-person and distance learning. Utilize start of school year PD days for teachers and school staff to discuss yearly plan and whole school strategies.   | Conduct team meeting by the second week of school.  | Hold team meetings.   | Review early warning data. Ensure staff are prepared to discuss attendance in a caring manner in parent-teacher conferences, outreach calls and home visits.   | Revisit data to measure progress and revise school-wide strategies as needed. Expand team as needed to address reasons for absence.  | Ensure staff are prepared to discuss attendance in parent-teacher conferences. Assess strategies and write school improvement plan. | Review data. Share data with student's next teacher for smooth transitions and trouble shooting.   |
| Tier 1<br>(Universal) | Promote attendance messaging during registration/enrollment. Have home visits/phone calls to build relationship and remind families about the first day of school. Plan welcoming traditions for incoming early grades, transition grades and new students and their families. Ensure there is attention paid to students with disabilities and other student groups with historically high levels of absenteeism. | Disseminate in-person health and safety protocols. Share back-to-school messaging about the importance of attendance for in-person and distance learning. Establish good and improved attendance recognition schedule/process. Conduct welcoming traditions for students and families. Promote immunization activities. | Promote and maintain a positive school climate. Ask staff to establish daily, weekly and monthly routines to build relationships in the classroom and connection to the school. Hold weekly/monthly recognition. Ensure positive, regular communication with families about student attendance. | Provide a warm welcome for students who start later in the school year. During parent-teacher conference recognize good attendance and express concerns in a supportive manner if needed. Anticipate and plan activities/supports to minimize dips in attendance during holidays. Conduct a resource fair for students and their families. | Share messaging and engaging activities around winter holidays. Use data to identify attendance dips and align events to mitigate low attendance days. Schedule mid-year activities to remind school community about attendance. | Hold parent-teacher conference student attendance check-in. Plan engaging activities and messaging to avoid the spring slump.       | Establish or amplify end of year traditions to keep the school community engaged and to maintain student attendance in last weeks of school. Acknowledge attendance successes. |

# Expanded Metrics

## Contact

Schools have working contact and back up information for each enrolled student and their family.

## Connectivity & Access

Students, families and staff have access to technology (computer, software and internet access) and other materials to support learning at home.

## Relationships

Students and families feel connected, supported and engaged in reciprocal, problem-solving relationships.

## Chronic Absence /Attendance

The extent to which students show up and are not chronically absent for in person and remote instruction.

## Use Data to Identify and Address Inequities

- Analyze data overall, broken down by school, grade, race/ethnicity, home language, disability and zip code.
- Use qualitative information, especially drawing upon the perspectives of students and families, to deepen an understanding of the contributing factors
- Determine how to address unequal access to resources.

## Poll

### **What data is your school using to activate outreach?** *(check all that apply)*

- One absence
- Missing 10% of days enrolled
- Number of unexcused absences
- Student does not log in to class
- Cannot reach family with existing contact info
- Other *(type in chat)*

# When to Reach Out and Provide Support

## Tier 2 Early Intervention

### **Suggested Criteria for what activates early outreach:**

- Missing 10-19% of school—*regardless of the mode of instruction*—in the prior school year
- Missing 10% of the current year
- Not checking in or completing work in distance/virtual learning

**Consider who should respond:** Attendance staff? Counselors? Nurses? Community partners? Teachers? Teachers on special assignment? Social work interns?

**Document:** Any attendance barriers staff identify, supports provided or follow up needed

# When to Reach Out and Provide Support

## Tier 3 Intensive Intervention

### **Suggested Criteria for what activates intensive outreach:**

- Missing 20% or more of school in prior school year (severely chronically absent)
- Missing 20% or more of school during current year
- Students who already qualify for McKinney Vento services, who are in foster care or involved in juvenile justice
- Students whose attendance does not improve with Tier 2 supports

**Consider who should respond:** Social Workers? Staff of public agencies?

**Document:** Any attendance barriers staff identify, supports provided or follow up needed

## Reflect

*In your school, is it clear...*

- ✓ when to take action to improve attendance?
- ✓ how that should happen?
- ✓ who should do it?

# Addressing Reasons for Absences

<https://vimeo.com/260324362>

## Why Understanding the Perspectives of Students and Families Matter

- ❖ Students have untapped expertise and knowledge that can bring renewed relevance and authenticity to classrooms and school reform efforts.
- ❖ Addressing the challenges students experience requires considering their specific realities. The goal is to hear student opinions and experiences while attending school
- ❖ Understanding when many students and families experience similar challenges allows you to create scalable solutions.
- ❖ It ensures that the engagement strategies you create are inclusive of students and families' cultural norms.

# 2 x10 Relationship Strategy Bank

## 2 x 10 Strategy

### PURPOSE

This strategy can be layered onto universal relational supports to strengthen relationships with individual students by focusing attention on personalized understandings.

### DIRECTIONS:

Use the strategy and process below to plan, track and reflect on a series of brief, informal and individualized relationship interventions.

### Strategy:

#### THE 2 x 10

- Identify a student who may benefit from additional support.
- Spend 2 minutes per day for 10 consecutive school days with the student
- Talk with the student about anything he or she wants to talk about.
- Focus on listening and the conversation, as opposed to the time or other things happening around you.

### Plan & Track:

Check off or record the dates of 2 x 10 strategy implementation. Start by trying it with one student and add more students as is necessary and feasible.

| Student: | Day 1 | Day 2 | Day 3 | Day 4 | Day 5 | Day 6 | Day 7 | Day 8 | Day 9 | Day 10 |
|----------|-------|-------|-------|-------|-------|-------|-------|-------|-------|--------|
|          |       |       |       |       |       |       |       |       |       |        |

### Reflect:

How did this help you learn about the student in new ways?

What did you notice about your relationship with the student across the 10 days?

## EXERCISE: ATTENDANCE CAFE

Time: 30 minutes

### MENU:

Special Today: **ATTENDANCE**

#### APPETIZERS

- » Welcome and Parent Café Agreements
- » 3 Minute conversation with your designated partner. Each partner gets a turn to respond to these questions: How was school attendance for you when you were a student? Did you go every day? Did you miss a lot?

#### ENTREE

- » Discuss this question for 15 minutes: Did you know that children who miss 18 or more days of the school year (2 days a month) starting in kindergarten are less likely to learn to read by third grade and graduate from high school?
- » Discuss this question for 15 minutes: What are some of the obstacles that parents face in getting their children to attend school every day?
- » Discuss this question on the new table for 15 minutes: What are some ways that parents can overcome these obstacles? How can you help other parents overcome these obstacles?

#### DESSERT

- » Conversation reflection: Table Hosts summarize the conversations at their tables.
- » Volunteer to be on an attendance committee
- » One-word reflection

# Reflecting on Root Causes

1. Go through the list of Barriers, Aversion, Disengagement or Misconceptions and highlight the ones your team believes affect the students and families in your school
2. Select a method for learning about what affects attendance
3. Listen carefully for reasons why students attend or do not attend school
4. After talking with students or families, write down what you learned about why students attend school
5. Then summarize what you learned about why they don't attend by going through the list of Barriers, Aversion, Disengagement or Misconceptions and circling the ones that you heard most frequently
6. Review the list to see if there are any significant factors that are not on the list

## Reducing chronic absence requires addressing challenges worsened or created by the pandemic

### Barriers

- Chronic and acute illness
- Family responsibilities or home situation
- Trauma
- Poor transportation
- Housing and food insecurity
- Inequitable access to needed services
- System involvement
- Lack of predictable schedules for learning
- Lack of access to tech
- Community violence
- Etc. and many more!

### Aversion

- Struggling academically and/or behaviorally
- Unwelcoming school climate
- Social and peer challenges
- Anxiety
- Biased disciplinary and suspension practices
- Undiagnosed disability and/or disability accommodations
- Parents had negative educational experiences

### Disengagement

- Lack of challenging, culturally responsive instruction
- Bored
- No meaningful relationships to adults in the school (especially given staff shortages)
- Lack of enrichment opportunities
- Lack of academic and behavioral support
- Failure to earn credits
- Drawn to low-wage job vs. being in high school

### Misconceptions

- Absences are only a problem if they are unexcused
- Missing 2 days per month doesn't affect learning
- Lose track and underestimate TOTAL absences
- Sporadic absences aren't a problem
- Attendance only matters in the older grades
- Suspensions don't count as absence

# Small Group Discussion

**Reflect on the population of students you identified earlier who were most likely to be chronically absent.**

1. Share, which **group** of students you notice miss most often.
2. What helps them come to school?
3. What barriers keep them from school?

**Large group – In the Chat:**

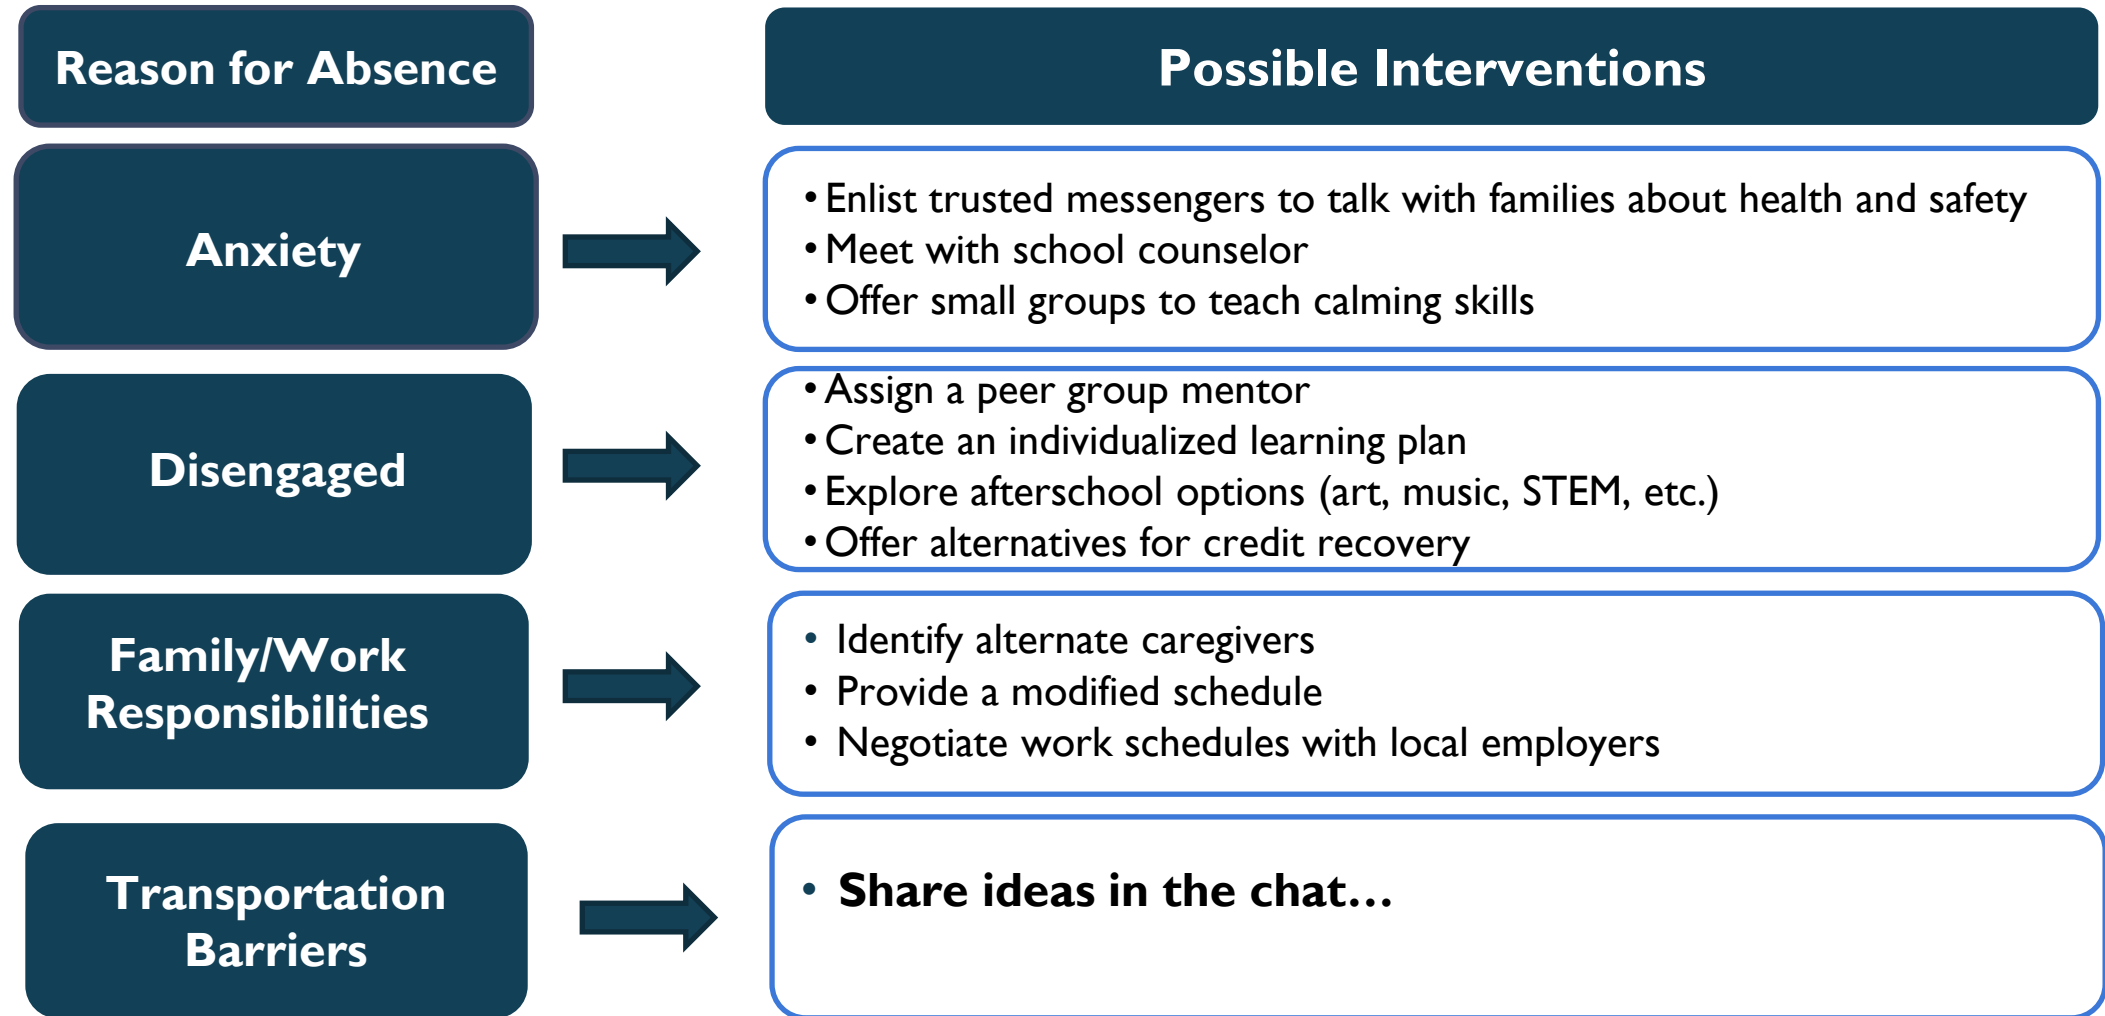

*What helps students who struggle with absenteeism show up to school?*

## Ground Rules

- Turn on your video camera
- Briefly introduce yourself
- Raise your hand to speak
- Ask clarifying questions
- Create space for everyone to speak (and use the chat to express ideas)
- Person whose first name is closest to the letter “M” is the facilitator

# Understanding Common Causes of Absences Worksheet

## Worksheet: Understanding the root causes for student absenteeism

Use these questions to help identify the likely causes of absenteeism for a student who is chronically absent in your class. Understanding the root causes for missing too much school can help determine the best course of action. Is this something that you can help your student and his/her family overcome? Or is there an underlying issue that requires additional support, perhaps from the school social worker or guidance counselor?

| <b>Academic Conditions</b>   |       |
|--|-------|
| Is the student struggling academically? Consider what skills and content the student has missed as a result of his or her absences as well as other instructional needs.                           | Y / N |
| Does the student need accommodations to benefit from classroom instructions? (e.g. peer support, access to computer, breaks, material presented in different ways)                                 | Y / N |
| Does the student have language or communication challenges?  | Y / N |
| Does the student struggle with organizational tasks?   | Y / N |
| Are there barriers to homework completion?   | Y / N |
| Do you suspect that the student has an unidentified disability?  | Y / N |
| <b>Safety Concerns</b>   |       |
| Have there been any reports of bullying?   | Y / N |
| Is the student exposed to race, disability, cultural or LGBTQ biases?  | Y / N |
| <b>Social Dynamics</b>   |       |
| Does the student get to avoid difficult social or academic situations by staying away from school?   | Y / N |
| Are transitions difficult for the student? (e.g. entering the school building, moving from class to class)   | Y / N |
| <b>Home Situation</b>  |       |
| Do the parents/guardians recognize the importance of and support regular school attendance?  | Y / N |
| Are there problems in the home that contribute to frequent absences? (e.g., parental illness, homelessness, joblessness, child care, needed health or mental health services for parent/caregiver) | Y / N |
| <b>Health Status</b>   |       |
| Are there conditions in the classroom, cafeteria or other school areas that affect the student's health or safety? (e.g. mold or other asthma triggers, animal dander, food allergens)             | Y / N |
| Does the student exhibit anxiety due to separation from parent / caregiver?  | Y / N |
| Does the student require health or mental health-related treatment that interferes with attendance?  | Y / N |
| <b>School Culture</b>  |       |
| Are there any clubs, programs or resources during the school day and after school that might help engage the student?  | Y / N |
| Is there a caring adult at the school that could mentor the student?   | Y / N |
| <b>Student Voice</b>   |       |
| Has the student identified the reasons for missing school?   | Y / N |
| <b>Parent Voice</b>  |       |
| Have you met with the parent/caregiver to discuss attendance concerns?   | Y / N |
| Has the parent/caregiver identified specific barriers to attendance?   | Y / N |

| <b>Attendance Barriers for Students with Identified Disabilities</b>   |       |
| Has the IEP/504 team met recently to review and revise the student's educational plan?   | Y / N |
| Are the instructional and behavioral supports the rights ones?   | Y / N |

Activities in the grid are examples. You can customize the plan for your school or program. For each activity, specify who is responsible for leading and how to measure the results. You can also recreate this chart in a larger format and use post-it notes to add activities as a group exercise. See the 3 Tiers of Intervention (<https://www.attendanceworks.org/chronic-absence/addressing-chronic-absence/3-tiers-of-intervention/>)

| Timing                | Before Start of School Year<br>(July/August)   | Welcome Back<br>(August/September)  | Ongoing<br>(Weekly)   | Fall Semester<br>(October – November)  | Winter Semester<br>(December – February)   | Spring Semester<br>(March-April)  | End-of-Year<br>(May/June)  |
|-----------------------|--|---|---|--|--|---|--|
| School Team           | Establish school team to address attendance. Develop a yearly attendance plan and goals. Agree on metrics to monitor for in-person and distance learning. Utilize start of school year PD days for teachers and school staff to discuss yearly plan and whole school strategies.   | Conduct team meeting by the second week of school.  | Hold team meetings.   | Review early warning data. Ensure staff are prepared to discuss attendance in a caring manner in parent-teacher conferences, outreach calls and home visits.   | Revisit data to measure progress and revise school-wide strategies as needed. Expand team as needed to address reasons for absence.  | Ensure staff are prepared to discuss attendance in parent-teacher conferences. Assess strategies and write school improvement plan. | Review data. Share data with student's next teacher for smooth transitions and trouble shooting.   |
| Tier 1<br>(Universal) | Promote attendance messaging during registration/enrollment. Have home visits/phone calls to build relationship and remind families about the first day of school. Plan welcoming traditions for incoming early grades, transition grades and new students and their families. Ensure there is attention paid to students with disabilities and other student groups with historically high levels of absenteeism. | Disseminate in-person health and safety protocols. Share back-to-school messaging about the importance of attendance for in-person and distance learning. Establish good and improved attendance recognition schedule/process. Conduct welcoming traditions for students and families. Promote immunization activities. | Promote and maintain a positive school climate. Ask staff to establish daily, weekly and monthly routines to build relationships in the classroom and connection to the school. Hold weekly/monthly recognition. Conduct a resource fair for students and their families. | Share messaging and engaging activities around winter holidays. Use data to identify attendance dips and align events to mitigate low attendance days. Schedule mid-year activities to remind school community about attendance. | Hold parent-teacher conference student attendance check-in. Plan engaging activities and messaging to avoid the spring slump.       | Establish or amplify end of year traditions to keep the school community engaged and to maintain student attendance in last weeks of school. Acknowledge attendance successes. |
