- 5. Determine if you are making a difference.**

# **Team Function #4:** **Mobilize everyone in the school community to address attendance**

## Mobilize the School Community to Address Attendance

# Changing the Power Dynamics: Shifting to a Partnership Approach

Problem Focused	to	Partnership Focused
Approach family <i>only</i> to address a problem		Initial outreach focuses on building a relationship
One-way messaging to families		Start with listening to families; Find out hopes, dreams, assets, and needs
Focus <i>only</i> on barriers		Leverage student/family strengths to overcome challenges
Presume you have all the answers and know what is best for the family/student		Collaborate with families and encourage practices that build upon their assets and priorities

These concepts were adapted from this blog by the Search Institute: <https://blog.searchinstitute.org/six-shifts-better-family-engagement>

# We All Have a Role

## Team Self-Assessment

**Our entire school staff has bought into an “all hands on deck” approach to attendance.**

- Strongly in Place
- Measurable Progress
- Needs Improvement
- Urgent Gap

# **Mobilize the Community:** **Involve All School Staff in Caring Conversations**

## Multi-tiered System of Support for Attendance

# Know Your Students' Attendance Status

DAYS MISSED IN SCHOOL YEAR	
<b>Satisfactory Attendance</b>	Missed <b>less than 5%</b> (fewer than 9 days in a 180-day school year)
<b>At-risk Attendance</b>	Missed <b>5-9.99%</b> (9-17 days in a 180-day school year)
<b>Moderate Chronic Absence</b>	Missed <b>10-19.99%</b> (18-35 days in a 180-day school year)
<b>Severe Chronic Absence</b>	Missed <b>20-49.99%</b> (36-89 days in a 180-day school year)
<b>Extreme Chronic Absence</b>	Missed <b>50% or more</b> (90 or more days in a 180-day school year)

# Tailor Conversations to Students' Attendance Status

## Reflection

We've all had the experience of conversations going poorly when trying to broach a sensitive subject. Take a moment and reflect about an instance when this happened.

- Why the conversation went badly
- What could have helped

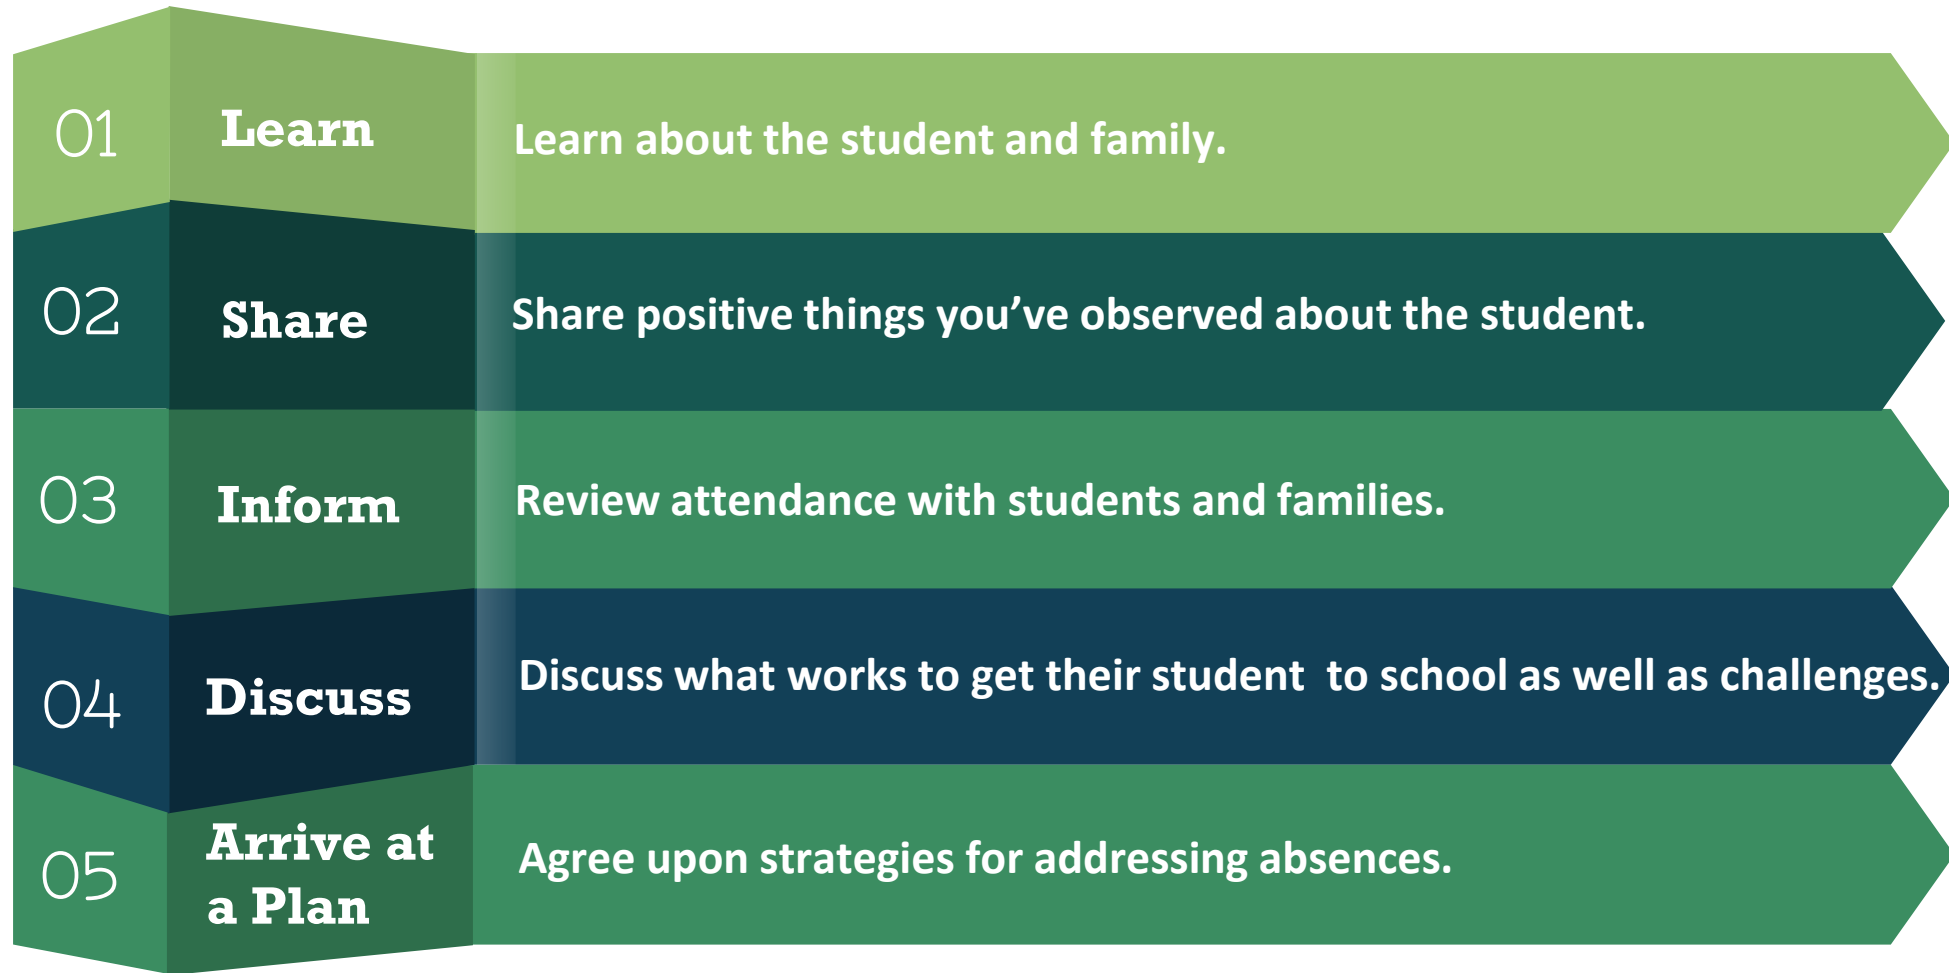

## Sample Scenario: *Modeling Caring Conversations*

What did you notice about  
the conversations?

How were they different?

- **You are Charles' teacher.** Charles Brown is an 11th grader who struggles to keep up. Since returning to school in person, Charles has been quiet and distracted in class. In the first 12 weeks of school, he has missed 8 days and been tardy 15 times.
- **You are Charles:** Charles has the responsibility for getting his younger siblings to elementary school since his mother is at work by the time the children wake up for school. He also has taken a part-time job to help out. The entire family is still grieving the death of the father.

## Steps 1 & 2: Learn and Share

### Share in Chat:

1. What excellent questions can you ask to learn about a student's family?
2. What are some positive observations about a student you might share with the student or family?

01

### Learn

Learn about the student's family. What are their hopes and dreams for their student? What does the student enjoy about school this year? What has been interesting or challenging about learning?

02

### Share

Share positive things you've observed about the student. Share your own vision for student learning & development.

# Step 3: Inform

03

## Inform

Review attendance with parents. Tailor conversation to student’s level of absenteeism & inform them of possible impacts of missing school. How might poor attendance affect their hopes and dreams for their student?

1. Show absences marked on a school calendar
2. Identify patterns
3. Share what key concepts a student missed relating back to the hopes and dreams that the student or parents shared

## Step 4: Discuss

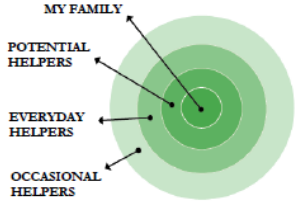

04

### Discuss

Discuss what works to get their student to school as well as challenges.  
Explore options for making up for lost learning time in the classroom.

1. Learn about student motivations.
2. Discuss reasons for absenteeism.
3. Explore what would help reduce absences and increase engagement.
4. Identify opportunities to make up for lost learning in the classroom.
5. Use help bank to identify support systems.

**MY FAMILY'S HELP BANK**  
CREATE BACKUP PLANS FOR GETTING TO SCHOOL

1. **My Family:** List who lives in your house.
2. **Everyday Helpers:** Identify who you can call on to help drop your child off or who can pick your child up when you cannot. These are people like friends, neighbors and relatives who can help regularly.
3. **Occasional Helpers:** Identify people who probably cannot help every day, but can help in a pinch. Maybe it's a godparent, a relative or a friend who lives outside your neighborhood but can be there for short stunts.
4. **Potential Helpers:** Identify people who are part of your school community, church or neighborhood who are able to help—if you ask.

1. My Family: \_\_\_\_\_

2. Everyday Helpers: \_\_\_\_\_

3. Occasional Helpers: \_\_\_\_\_

4. Potential Helpers: \_\_\_\_\_

If I need help getting my child to and from school, I will ask the following people to be our back-up:

Name: \_\_\_\_\_ Best Contact Number: \_\_\_\_\_

Name: \_\_\_\_\_ Best Contact Number: \_\_\_\_\_

Name: \_\_\_\_\_ Best Contact Number: \_\_\_\_\_

## Step 5: Arrive at a Plan

05

### Arrive at a Plan

Assess strategies for addressing absences. Help students and families develop an attendance and learning plan. Offer referrals to services as needed and ask if there are other ways you can help.

1. Work with the family to identify specific steps that will help to prevent absenteeism in the future.
2. Develop and complete a plan for attendance and learning
3. Ensure that the plan includes any support that the school will offer as well
4. Provide a copy of the plan to the student/parent
5. Agree on a timeline to check in and see how things are progressing

**MY CHILD'S ATTENDANCE SUCCESS PLAN**

POSSIBLE STRATEGIES TO REACH MY CHILD'S ATTENDANCE GOALS AND HELP MY CHILD GAIN THE SKILLS TO DO WELL IN SCHOOL AND TO READ BY 3<sup>RD</sup> GRADE.

- Keep an attendance chart at home to track absences. Consider using the attached calendar.
- At the end of the week, I will recognize my child for attending preschool every day with \_\_\_\_\_ (i.e., a visit to the park, a new book, a special treat, a hug, etc.)
- Make sure my child is in bed by \_\_\_\_\_ p.m. and the alarm clock is set for \_\_\_\_\_ a.m.
- Find a relative, friend or neighbor who can take my child to or from preschool if I can't. I can list who can help on the Help Bank (attached).
- Set up medical and dental appointments for weekdays after preschool.
- If my child has a slight stomachache, headache or allergies, and is not sick with a contagious illness including Covid-19, I will send my child to school. I will call the school or a health provider for advice if my child complains regularly.

To improve \_\_\_\_\_'s attendance, I commit to the following:

1. \_\_\_\_\_
2. \_\_\_\_\_

To improve \_\_\_\_\_'s attendance, the program commits to:

1. \_\_\_\_\_
2. \_\_\_\_\_

*We will review progress to meet this goal in one month.*

## Measuring Progress

### Answer these four key questions:

1. How much did we do? (*quantity*)
2. How well did we do it? (*quality*)
3. What difference did we make for the students who received support?
4. What was the impact on the school as a whole?

<p><b>What change idea is being tested?</b></p> <p><i>2x10 Strategy is the change idea. Attendance Team members will each identify one student who might benefit from additional support. What did you notice about your relationship with the student across the ten days? What are the implications of your learning for school practice going forward?</i></p>
<p><b>What is the overall goal of this test?</b></p> <p><i>Improve attendance for students who seem to be disconnected and who have missed between 10-19% of the school year. <p><b>Learning Questions: What do you hope to learn from this test?</b></p> <p><i>Q1 - Are adults willing and able to support this intervention?</i>  <i>Q2 - How many of the identified students will participate in the check-in for ten consecutive days?</i>  <i>Q3 - Does attendance for students who participate improve going forward?</i>  <i>Q4 - What are the implications for wider implementation of the 2x10 strategy?</i>  <i>Q5 - Are there any spillover effects, e.g., do some students participate more in class? Does behavior improve?</i></p>

## Plan → Do → Study → Act (PDSA) Plan

Plan		Do	Study	
Details: What are the steps in the test? Who will implement it?	Predictions: Make a prediction for each question. Not optional.	Data you will collect	Briefly describe: what happened during the test, surprises, difficulty getting data, obstacles, successes, etc.	What were the results? Comment on your predictions in the rows below. Were they correct? Record any data summaries as well.
1. Review the 2x10 process with team members to get buy-in to ensure fidelity and provide conversation starters	Q1 - Prediction - All Attendance Team members (8) are willing to participate	2x10 checklist from each Team member	Prioritizing which of the chronically absent students to contact proved to be a challenge. Once the students were selected, Team members each contacted one student to meet with.	Q1. All Team members were able to participate each of the ten days.
2. Use data to identify students for outreach	Q2 - Prediction - 5 students will check in for ten consecutive days		Initially, the students thought they were in trouble, particularly when the principal contacted her student.	Q2. Six students checked in all ten days.
3. Team members invite one student to check in at a specific time/location	Q3 - Prediction - Students who participate in all 10 days improve attendance going forward.	Student attendance prior to 2x10, during 2x10, in the two weeks following the 2x10, and one month following the 2X10	Of the 8 students, 6 actually showed up all ten consecutive days.	Q3. One student had two excused absences for illness. A second student had one excused absence, also for illness.  Six students had no unexcused absences for the 2 weeks following the 2x10.
4. At the end of each check-in, make specific plans for meeting the following day.	Q4 – Implications for wider implementation?	Meet with Attendance Team members and students for reflection		Q4. Attendance Team members decide to implement the 2x10 with one additional student and check in at least once per week with their student from group one.
5. Note on the 2x10 grid when the check-in is complete	Q5 - Are there any spillover effects?			Q5. There were reductions in referrals for behavior for the 6 students who participated.

## Plan → Do → Study → Act (PDSA) Plan

**Act:** Describe modifications and/or decisions for the next PDSA cycle. What will you do next?

**Adapt** (tweak the process and try again)

**Adopt** (make this my standard process)

**Expand** (try this for a longer period of time)

**Abandon** (go to a new change idea)

- Develop criteria to prioritize students selected to participate
- Provide Caring Conversations Training and active listening techniques for Attendance Team members and other staff
- Ask Team members to do one more cycle with different students before implementing more broadly with teachers

# Communicating with Families During the Winter

## ★ Stay the Course: Winter Messaging

<https://www.attendanceworks.org/resources/messaging/stay-the-course-a-winter-messaging-toolkit/>

## ★ Holiday Messaging

<https://www.attendanceworks.org/resources/messaging/holiday-messaging/>

Dear Families,

We are thankful for you!

As we prepare to take time off from school (**insert dates**) for the Thanksgiving break, we are grateful for everyone who has helped to restore a routine for showing up to school while supporting students and families.

Daily routines are essential for reducing stress and creating a sense of security, especially after the chaotic transitions experienced over the last two years.

**As long as your child is healthy, please encourage showing up to class when school is in session.** Every day of school is an important opportunity for students to learn as well as connect to peers and their teachers.

We thank:

- Our students and their families who do their best to show up to class every day even when it isn't easy.
- Our teachers who have gone above and beyond to help make school a welcoming learning environment where students can thrive.
- Our administrators who help us work together to ensure we are healthy and safe, feel a sense of community and experience the excitement of an engaging learning environment.
- Our many, many healers and helpers - the support staff and community volunteers who provide the extra hands and attention our children need.

May these days off be restful and healing.

- **If your family or your child needs support, please reach out to (**insert contacts**) for help.**
- We look forward to seeing you again when school resumes on (**insert dates in bold**).

Thank you for partnering with us!

Sincerely,

**(Insert Name and title)**

## Supporting Students Experiencing Housing Insecurity

### Schoolhouse Connection Strategies:

1. Address basic needs such as mental and physical health concerns, as well as clothing, hygiene and school supplies (e.g. care closet, laundry at school)
2. Provide transportation for students who have moved beyond the bus route or walking zone
3. Create a school climate where students and families feel welcome and respected
4. Track attendance and other indicators for students with unstable housing

## Supporting Highly Mobile Students

- Create a system for a warm welcome to school, regardless of when students enroll
- Assign a guide who speaks the new student's home language to help navigate school during the first week or two
- Talk with families about their aspirations for their children and connect to expectations for attendance
- Practice classroom rituals and routines to enhance sense of stability
- Assess a student's attendance patterns in addition to their educational level
- Work with regional migrant education office to help older students access summer learning opportunities and credit recovery
- Provide access to basic needs

# Year-Round Planning

Plan activities and events that keep a focus on improving attendance all year long.

- ❖ See sample activities for PreK, K-12 and district teams
- ❖ Use blank calendars to customize the plan for your community
- ❖ Remember to specify who is responsible for leading and how to measure the results
