

Session 1:

Whole School Engagement Strategies for Reducing Student Absenteeism

Professional Learning Series

September 23, 2021

Welcome!

Sue Fothergill
Director of Strategic Programming

Lorri Hobson
Senior Fellow

Sharlimar Douglass
Senior Fellow

Three E-Learning Sessions

During these sessions, participants will learn how to work as a team to take a multi-tiered approach to improve attendance in their schools:

- ❖ **Session 1** — Whole School Engagement Strategies for Reducing Student Absenteeism
- ❖ **Session 2** — Early Intervention Strategies: Using Teams to Monitor and Identify Students in Need of Support
- ❖ **Session 3** — Partnering to Make a Difference

Learning Goals for Session 1

Participants will:

- Be able to measure attendance and participation in a variety of learning settings
- Be introduced to the framework of multi-tiered strategies that moves schools towards prevention and early intervention
- Draw on a variety of high leverage, whole school strategies to create a positive school climate and strong relationships with students and families that prevent absenteeism

Getting Started: Introductions

Use the Chat and share:

- ✓ Your name and role
- ✓ Your school and district
- ✓ The name of one person who inspired you to attend and learn, and a short sentence about how they motivated you

Improving Attendance Matters

Why Does Attendance Matter?

4 A School Success Framework

Attainment Over Time

Achievement Every Year

Attendance Every Day

Advocacy For All

Developed by Annie E. Casey Foundation & America's Promise Alliance
For more info go to <http://www.americaspromise.org/parent-engagement-toolkit>

**What is the relationship
between absences and equity?**

**Absenteeism is a *leading* indicator
and a *cause* of educational
inequity**

Chronic Absence Measures Lost Opportunity To Learn

Chronic absence is missing so much school for any reason that a student is academically at risk. Chronic absence is defined as **missing 10 percent or more of school for any reason.**

Chronic absence is different from **truancy** (unexcused absences only) or **average daily attendance** (how many students show up to school each day).

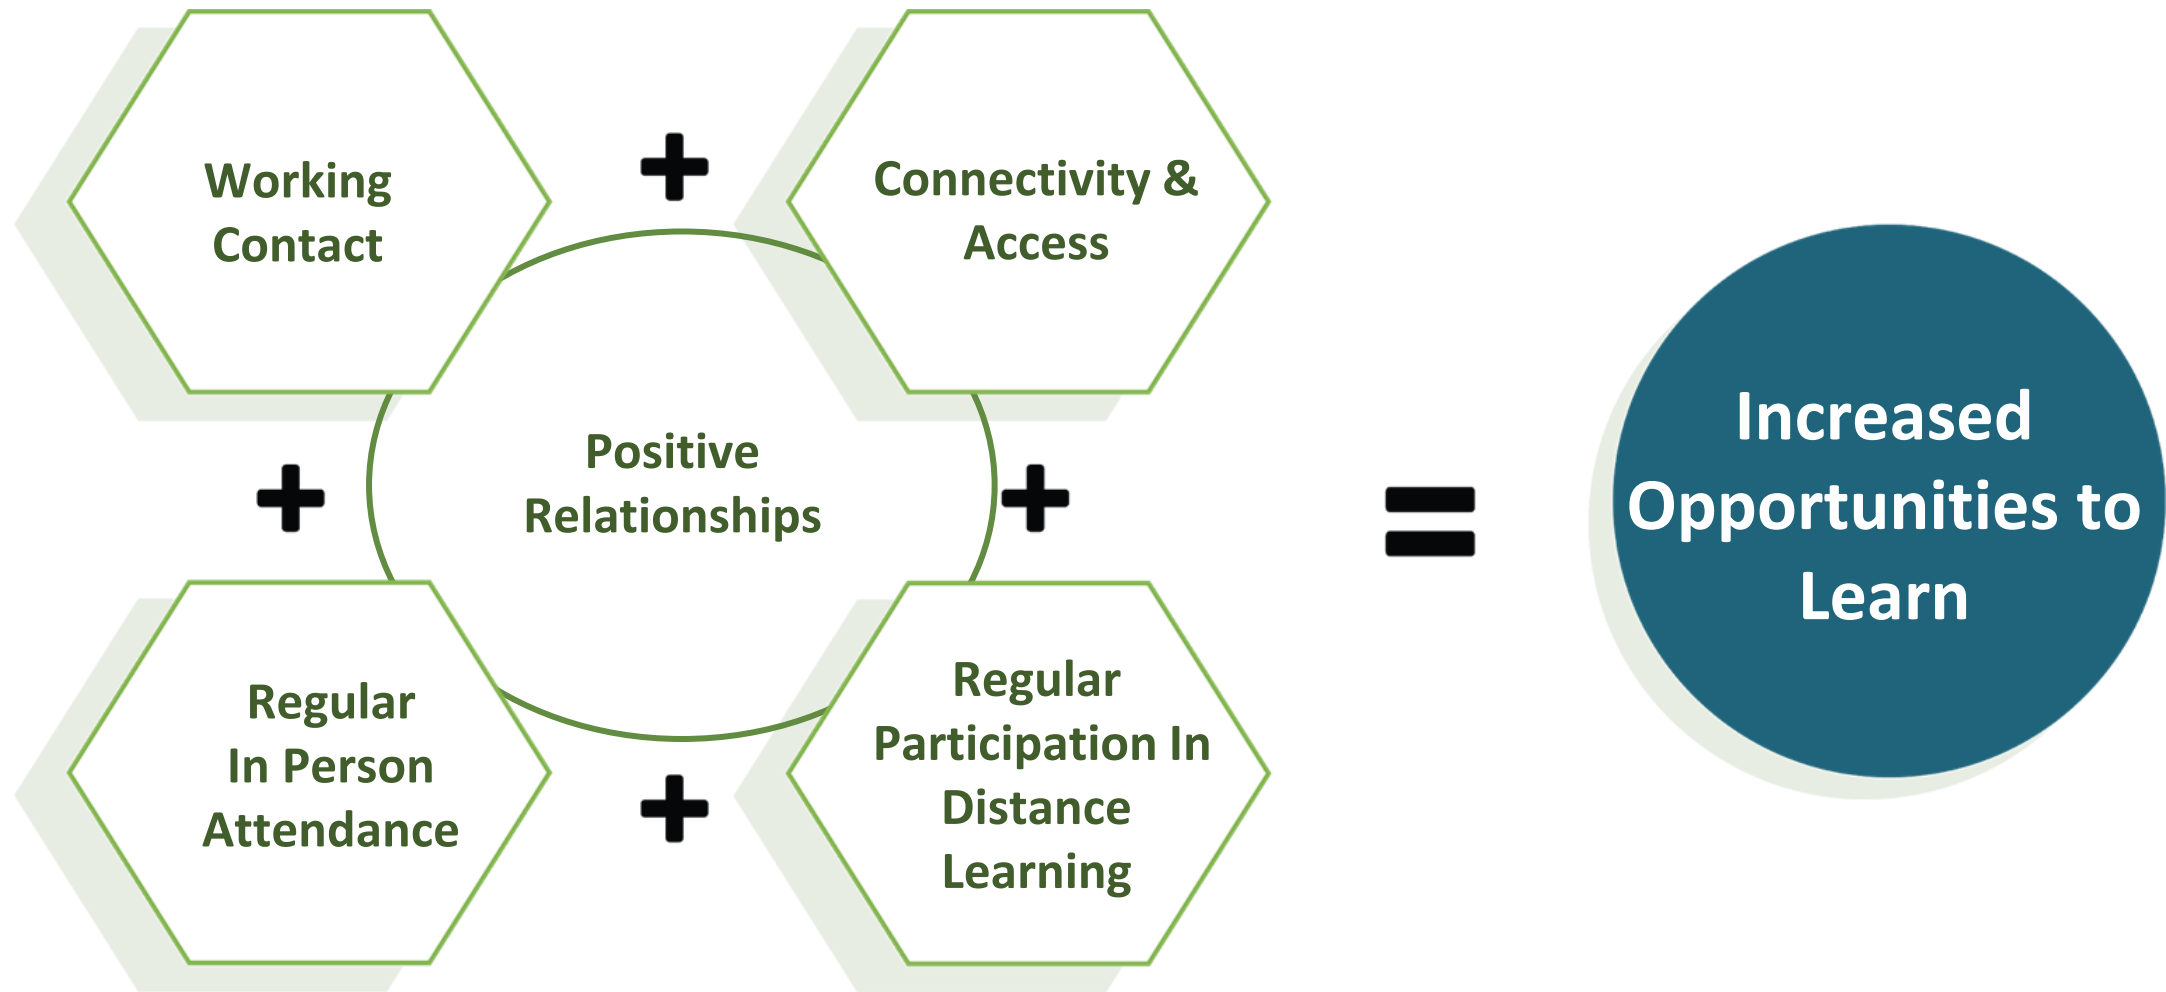

Poll

Please select the mode(s) of instruction your district is offering this year (check all that apply)

- In-person
- Virtual *(teacher and students online)*
- Mixed *(teacher simultaneously teaches in-person and online)*
- Independent study
- Other *(type in chat)*

Expanding How to Measure the Opportunity to Learn

Metrics Defined

Contact

Schools have working contact and back up information for each enrolled student and their family.

Connectivity & Access

Students, families and staff have access to technology (computer, software and internet access) and other materials to support learning at home.

Relationships

Students and families feel connected, supported and engaged in reciprocal, problem-solving relationships.

Chronic Absence /Attendance

The extent to which students show up and are not chronically absent for in person and remote instruction.

Poll

What attendance measures does your school / district track? (check all that apply)

- Daily attendance
- Contact information
- Connectivity
- Chronic absence
- Participation
- Completion of assignments
- An existing relationship
- Daily attendance differentiated between in-person or remote
- None of the above
- Other *(please post in the chat)*

Absenteeism is a Sign that Positive Conditions for Learning are Missing, Whether Classes are In Person, Distance or Blended

Relationships are Essential

<https://vimeo.com/260252509>

What Did You Notice?

How did the video illustrate positive conditions for learning?

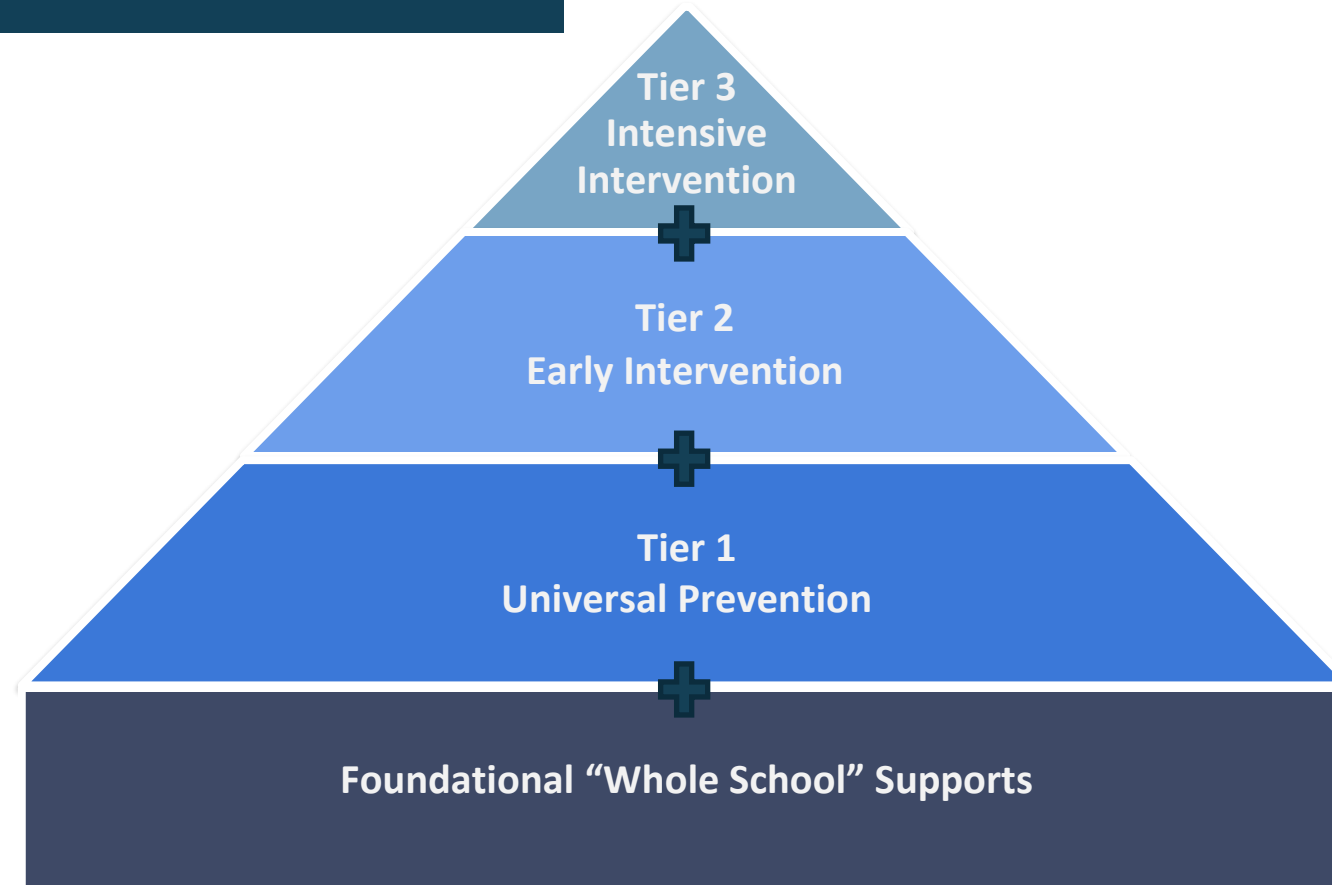

Building Your Multi-Tiered System of Support

Use Data to Support an Integrated Multi-tiered System of Support

Foundational Supports are Building Blocks of Schools that Promote Attendance

In the current school year, which supports are most critical for a successful transition?

Physically healthy learning environment	Enrichment activities and clubs	Positive relationships	Support for families to facilitate learning at home
Access to tech equipment and connectivity	Access to Learning Supports	Routines, rituals and celebrations	A culture of continuous improvement
Welcoming, safe, trauma-informed school climate	Home rooms and/or Advisory	A published schedule of classes	Active engagement of families in planning
Foundational Supports			

Family and Student Engagement	Social and Emotional Learning Relationships	Behavioral and Mental health	Data Monitoring	Physical Health	Academic Support	Basic Needs
Connect family with community supports	Conduct empathy interview	Individual Plan based on Identified Needs	Intensive outreach to locate student and family and assess situation	Individual Plan based on Identified Needs	Connect with a tutor or other individualized academic support	Provision of targeted resources
Virtual/physically distanced family meeting or home visit when absences add-up	Institute Success Mentor or Family Ambassador Program	Small group counseling to provide support for students dealing with anxiety	Using absenteeism data to activate targeted supports	Assist a family with identifying a medical home / family health practitioner	Additional tech support and training for families and students	Assisting a family with signing up for public programs e.g. Medicaid, SNAP etc.
Community building to create belonging and connection	Invite families to design the school's drop-off and pick-up protocols	Individual wellness check and connectivity assessments	Personalized outreach and communication to families when students are absent	Immunization Clinic	Clear, concise and consistent communication about schedules and expectations	School Community Food and Household Goods Pantry

Physically healthy learning environment	Welcoming, socially-emotionally safe, trauma-informed school climate	A culture of continuous improvement	Home rooms and/or Advisory	Active engagement of parents and students in planning and problem solving	A leadership team that monitors attendance data
Access to tech equipment and connectivity	Access to Learning Supports	Enrichment activities and clubs	Routines, rituals and celebrations	A schedule of classes and where/how they are held	Support for all families to facilitate learning at home

<https://www.attendanceworks.org/chronic-absence/addressing-chronic-absence/3-tiers-of-intervention/>

Resources to Strengthen Foundational Supports

Planning for the Next Normal – Kaiser Permanente Playbook for Healthy Communities

<https://thrivingschools.kaiserpermanente.org/get-inspired/coronavirus-response/schools-reopening-playbook/>

Mental health and well-being

Understand how to assess and improve social-emotional health.

COVID-19 prevention

Make changes that help create a safe teaching and learning environment when school buildings reopen.

Social drivers of health

Manage nonmedical health needs and provide resources to address food security, economic opportunity, housing, transportation, and more.

Physical activity and physical education

Implement strategies to safely provide physical education and activities.

Staff and teacher well-being

Address health considerations specific to adults working in your schools.

Schoolwide Strategies for Prevention

Three High Leverage Strategies

Schoolwide Strategies for Prevention

1. Warm and welcoming School Climate
2. Positive Relationships with Families and Students
3. Clear expectations and communication about attendance

1. Warm and Welcoming School Climate

A Positive School Climate Can Motivate Students to Show Up to School Even When it is Hard

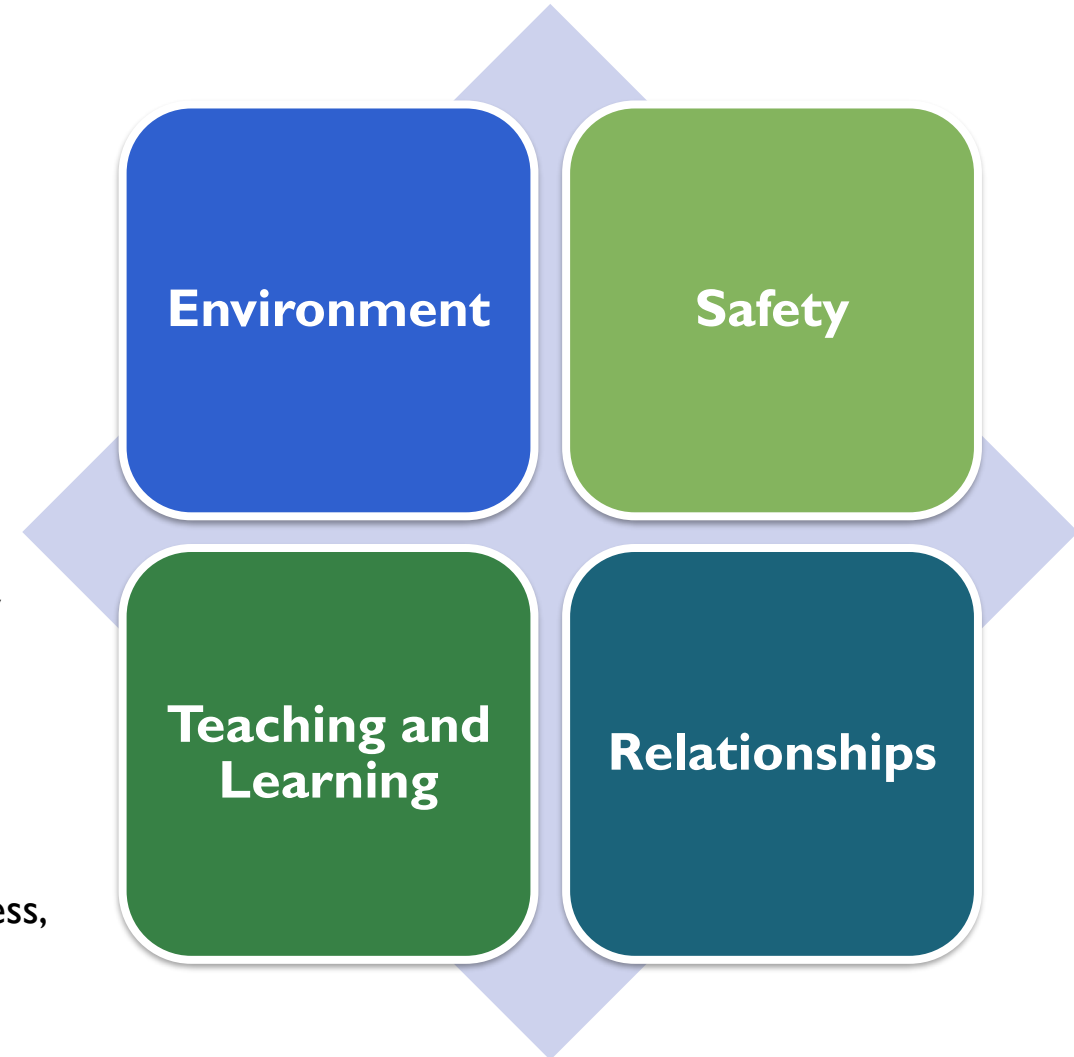

<https://vimeo.com/224790634>

School Climate and Attendance: Key Questions to Consider

- **Environment:** What are schools doing to promote physical health and safety? How can we create a warm welcoming feeling, with safety protocols in place?
- **Safety:** What steps have we taken to update our behavioral and mental health model, supports, and resources for a strong prevention and early intervention strategy?
- **Teaching:** Do teachers have access to attendance information? Do they understand their role in engaging students and their families about the importance of attendance to academic learning and to understand the reasons for their students' absences?
- **Relationships:** Is there a pattern of supportive and caring adult relationships for students, including high expectations for students' success, willingness to listen to students and to get to know them as individuals?

Small Group Discussion

What do you need to have in place for the year?

Pick one of the four elements of school climate to discuss in your group:

- ✓ Environment
- ✓ Safety
- ✓ Teaching & Learning
- ✓ Relationships

Ground Rules

- Turn on your video camera
- Briefly introduce yourself
- Raise your hand to speak
- Ask clarifying questions
- Explore differences of opinion
- Create space for everyone to speak
(and use the chat to express ideas)

Small group handout: <https://www.attendanceworks.org/wp-content/uploads/2019/06/School-Climate-Elements-rev-8-11-21.pdf>

Let's Chat!

Each team, please share 1-2 key observations from your discussion about what you need to have in place for the year.

Climate Element

Strategies to Promote Positive School Climate and Culture

Relationships

- Community building opportunities for students and families that create belonging and connection with school staff
- Expanded learning opportunities
- Enrichment activities and clubs
- Advisories and Homeroom
- Mentoring and Tutoring
- Youth Voice

Teaching & Learning

- Fun Morning Greetings (classroom and schoolwide) and circle time
- Sharing activities, such as show and tell, scavenger hunts, dress up
- Attendance reinforced in interactions with students and families
- Student success plans developed with families and students
- Access to data about student attendance and participation with protocols for differentiated support
- Support for teachers returning to the classroom

Environment

- Documentation of student work on the walls
- Clean and safe physical environment with fully stocked cleanliness supplies
- Resources for learning e.g., books, learning collateral (crayons, markers, paper)
- Access to virtual learning (computer, internet, broadband and capacity)
- Warm and welcoming, e.g. natural light, pleasing color aesthetic, easily locatable office

Safety

- Individual wellness check and connectivity assessments
- Monitor lack of participation and attendance for outreach and support
- Provide a point of contact for requests for support
- Clearly communicated Covid-19 safety protocols
- Expanded behavioral and mental health services for the school community

Measuring School Climate

Attendance and
Absence Data

School Climate
Survey Results

In and Out of
School Suspension
Data along with
Office Referrals

Use multiple measures of data to
assess school climate.
Review data disaggregated by race and
ethnicity, disability, grade, and gender.

Climate Walks Provide the Opportunity to Gather Information & Build Community

Climate Element	Observation	Location	Observed (Y/N)	Not Observed (Y/N)	Describe
Relationships	Students are respectful to one another	Hallways, classrooms, play yard, cafeteria			
	Students are observed engaging in small group activities including project work, socializing, or in classroom discussions	Hallways, classrooms, school grounds, cafeteria			
	The school visibly acknowledges and celebrates the diversity (cultural, ethnic, sexual, ability/disability, etc.) of the student population through displays, art, signage, etc.	Hallways, Front Office, Classrooms			

<https://www.attendanceworks.org/resources/scan-environment-attendance/>

Use Attendance Works Scan of Environment and Attendance Tool to observe key elements of climate

The Scan of Environment and Attendance Tool (SEAT) is designed for school leaders to engage school staff, students, parents and community members to identify strengths and opportunities to promote positive school culture and strong attendance.

The SEAT comes with:

- A user guide
- A description of how key features of school climate positively reinforce attendance
- A debriefing tool

Equipped with information about building-level practices that influence attendance, schools can take actionable steps to address some of the causes, not just the symptoms, of chronic absence.

The image shows a stack of SEAT forms. The top form is partially visible, showing a table with columns: Climate Element, Observation, Location, Observed (Y/N), Not Observed (Y/N), and Describe. One row is filled with: 15. The school health office is easily accessible, staffed by a medical professional and in-use by students. Health office, other.

The middle form shows instructions: "Instructions: For each activity listed below, put an 'X' in the box to indicate whether you observed the attribute during the scan. It is unlikely that every activity will be observed during a single scan. Observers are encouraged to debrief with the school attendance team and other observers as part of a process to develop a school plan to improve attendance. When possible please provide details in the comments section." Below the instructions is a table with columns: Climate Element, Observation, Location, Observed (Y/N), Not Observed (Y/N), and Describe. One row is filled with: 1. School staff greet all students warmly when they arrive at Main entrance(s), classrooms.

The bottom form is the main SEAT form, titled "Scan of Environment and Attendance Tool (SEAT) MIDDLE AND HIGH SCHOOL". It includes the Attendance Works logo and fields for School Name, Date of Observation, Time of Day, and Observer(s). Below these fields is a diagram showing four interconnected boxes: Teaching and Learning, Environment, Safety, and Relationships. Arrows connect Teaching and Learning to Environment, Environment to Safety, Safety to Relationships, and Relationships to Teaching and Learning.

Below the diagram is a paragraph: "School climate is made of several elements: the school's physical environment; arrangements that contribute to people's sense of physical and emotional safety; response to the quality of teaching and learning; and the presence or absence of healthy relationships between adults and students."

At the bottom of the form is a "Purpose" section: "Purpose: The Scan of Environment and Attendance Tool (SEAT) is designed for school leaders to engage school staff, students, parents and community members to identify strengths and opportunities to promote positive school culture and daily attendance. The SEAT is intended to be used multiple times over the course of the school year as part of an iterative process and should serve as a tool for qualitative analysis of the observable features of school climate that support a culture of attendance and engagement. Note that each of these characteristics may not be observable in a single walkthrough; schools are encouraged to select different times of the school day that may be conducive to observing the different climate elements. See the accompanying User Guide for more information about why each of the efforts in the checklist below can help support improved school climate and student attendance."

Adapting Routines and Rituals to Encourage Attendance and Participation

Classroom:

- ✓ Teach and reinforce attendance and behavior expectations (e.g. use PBIS 5:1 positive statements)

Daily:

- ✓ Take attendance in a caring manner
- ✓ Recognize when a student was absent and welcome him/her back
- ✓ Check-ins (e.g. mood meter)

Weekly:

- ✓ Friendship Fridays or Wellness Wednesdays
- ✓ Virtual clubs

School:

Daily:

- ✓ Morning Messages / Texts

Weekly:

- ✓ Principal pop-ins to say a few positive words
- ✓ Acknowledge good and improved attendance
- ✓ Virtual school assemblies or grade-level gatherings for fun activities or engaging programming

2. Positive Relationships with Students & Families

Questions for Promoting Positive Relationships

Why are they important?

- ❖ When students and families have meaningful relationships with school staff they are more likely to engage in school.

What are the equity implications?

- ❖ Students and families who aren't connected to school are more likely to be those who are challenged by geography, poverty, language and disabilities.

What do we need to know?

- ❖ Does each family and student have an on-going, positive, and supportive relationship with one or more members of our staff?
- ❖ How to reach each student and their family?
- ❖ Do we have a plan for early outreach when absences start to add up?

Recognize that Going to School Reflects When Families Have...

Evidence-Based Programs

Relational Home Visits

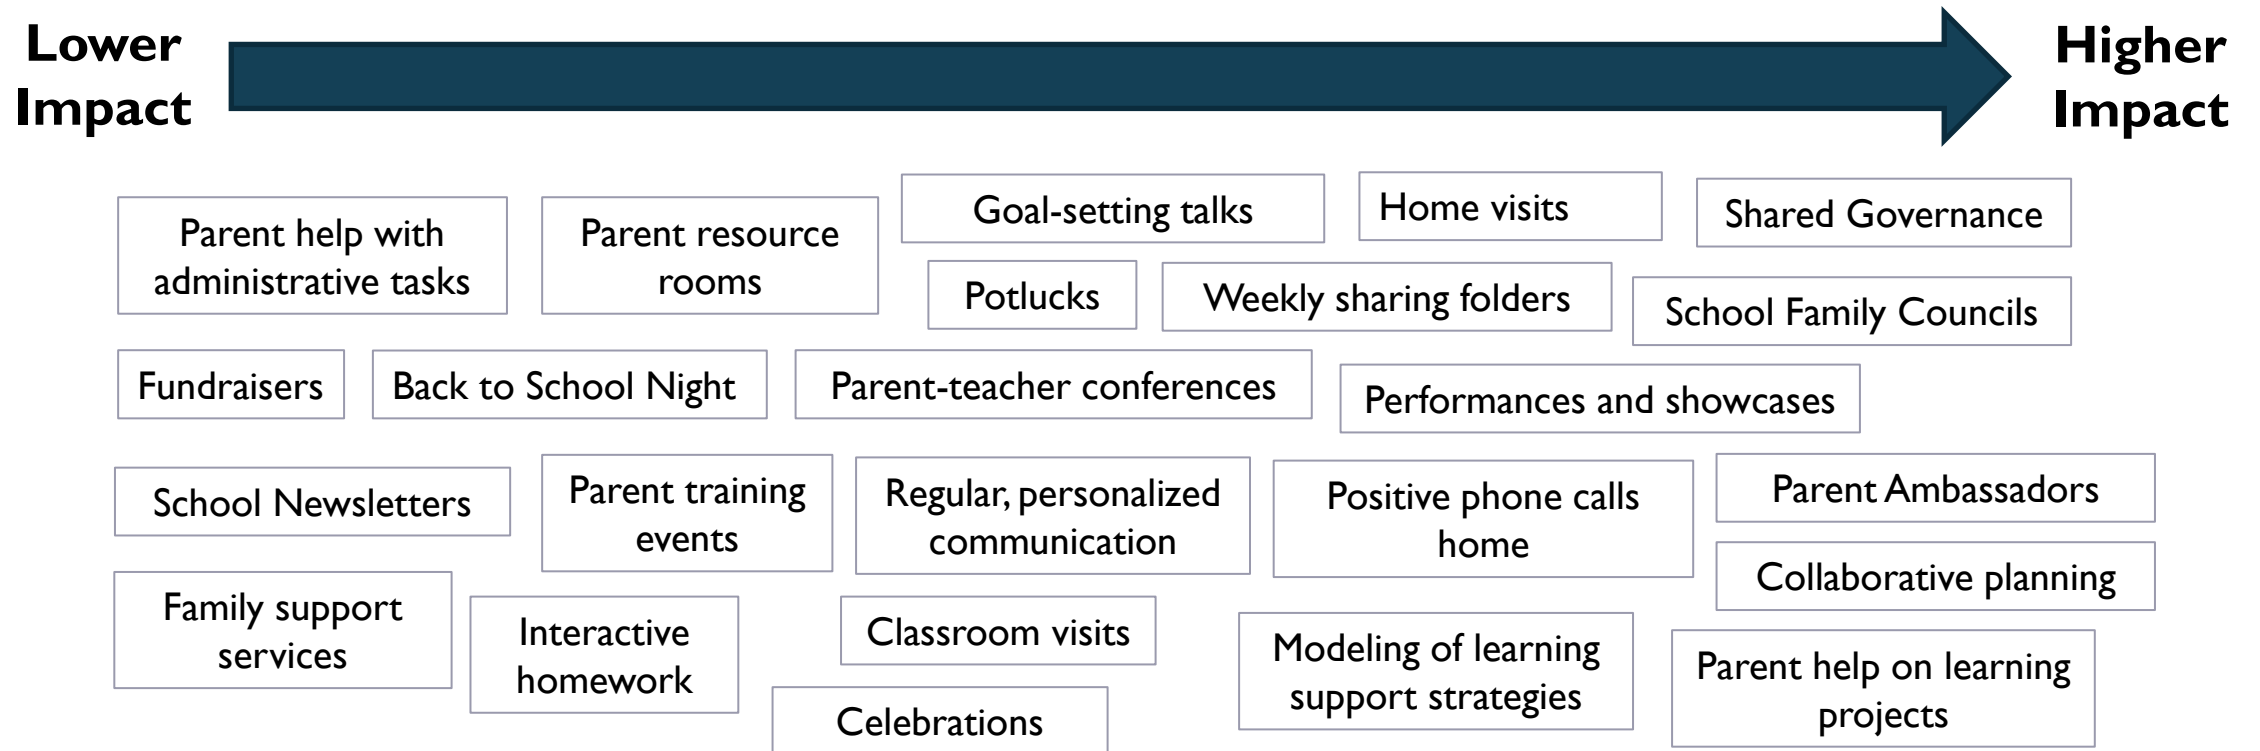

- ✓ Goal is to create positive relationship between educators and parents *before* any issues arise.
- ✓ Example of model program: Parent Teacher Home Visits
<http://www.pthvp.org/what-we-do/pthv-model/>
- ✓ Offers in-person and online training
- ✓ Offers in-person and online visiting options

Mentoring

- ✓ Goal is to create positive connection between mentor and student(s) to support student success in school
- ✓ Example of programs: MENTOR, Peer Group Connections, Success Mentor
- ✓ Virtual options for different age groups, <https://www.mentoring.org/virtual-mentoring-portals/>

High Impact Family Engagement

United States Department of Education Framework: Family Engagement Should be Relational, Should Build Capacity of Families and Staff, and be Linked to Learning

**Chat: What do you notice about the higher impact strategies?
What high impact strategies would you add?**

Let's Hear From You!

In your experience, what strategies work to forge positive relationships with students and families?

Please share your ideas in the Chat box.

- Attendance Playbook, <https://www.attendanceworks.org/resources/attendance-playbook/>

3. Clear expectations & communication about attendance

What do families of chronically absent students understand about attendance?

- ✓ Families generally underestimate the number of days their child has missed
- ✓ Families believe their child is absent less or the same amount as other students
- ✓ Families believe missing a couple days of school a month is not problematic

Parents Underestimate the Number of Year-End Absences

Parents were asked about their children's absences in two ways:

1. Was your child absent an average of 2 or more days a month?
2. Was your child absent more than 10 days over the year?

90% of parents said their child was absent an average of 2+ days a month, **but not** 10+ days a year

The math: If a child is absent an average of 2+ days a month, then he or she is absent far more than 18+ days a year

Families of Chronically Absent Students are More Likely to Consider Attendance a “Big Deal” in High School

Percent who say “It’s a big deal to miss at this grade level”

Work With Students and Families to Create a Success Plan

MY FAMILY'S HELP BANK

- 1. My Family:** List who lives in your house.
- 2. Everyday Helpers:** Identify who you can call on to help drop your child off or who can pick him or her up when you cannot. These are people like friends, neighbors and relatives who can help regularly.
- 3. Occasional Helpers:** Identify people who probably cannot help every day, but can help in a pinch. Maybe it's a godparent, a relative or a friend who lives outside your neighborhood but can be there for short stints.
- 4. Potential Helpers:** Identify people who are part of your school community, church or neighborhood who are able to help if you ask.

1. My Family: _____

2. Everyday Helpers: _____

3. Occasional Helpers: _____

4. Potential Helpers: _____

If I need help getting my child to and from school, I will ask the following people to be our back-up:

Name: _____ Best Contact Number: _____

Name: _____ Best Contact Number: _____

Name: _____ Best Contact Number: _____

- ✓ Set attendance goals
- ✓ Make backup plans
- ✓ Track absences
- ✓ Recognize success!

MY CHILD'S ATTENDANCE SUCCESS PLAN

-My child was present _____ days.
 -My child was absent _____ days.
 -My goal is to improve my child's attendance. I will ensure my child arrives no more than _____ for the rest of the year.
 (*1 or four absences = satisfactory attendance*)

POSSIBLE STRATEGIES TO REACH MY CHILD'S ATTENDANCE GOALS

- I will talk to my child about how going to school every day will help them do well in school and achieve their hopes and dreams.
- I will keep an attendance chart at home. At the end of the week, I will recognize my child for attending school every day with _____.
- I will make sure my child is in bed by _____ p.m. and the alarm clock is set for _____ a.m.
- If my child complains of a stomachache or headache, and medical concerns have been ruled out, I will make sure to go to school anyway and not _____ to that he/she can check in with my child during the day.

2017-2018 ACADEMIC CALENDAR

Create a Communications Plan

Does our district have a centralized and comprehensive communications strategy around attendance and participation?

- ❖ Communications are targeted and accessible to diverse stakeholders (e.g., families, students, etc.)
- ❖ Create a year-long communications plan and calendar for timely, accessible communications about school operations, class schedules, available resources with provisions for modifying as needed.
- ❖ Establish protocols to maintain two-way communication with families and with staff.
- ❖ Make sure families are informed in home language when students are absent or not participating in distance learning.

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Find out what day school starts and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Avoid medical appointments and extended trips when school is in session.
- Keep in mind that complaints of a stomach ache or headache can be a sign of anxiety and not a reason to stay home. If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.

When Do Absences Become a Problem?

	CHRONIC ABSENCE 18 or more days
	WARNING SIGNS 10 to 17 days
	SATISFACTORY 9 or fewer absences

Note: These numbers assume a 180-day school year.

Visit Attendance Works at www.attendanceworks.org for free downloadable resources and tools!

Questions from the Audience

Review: *Learning Goals for Session 1*

Participants will:

- Be able to measure attendance and participation in a variety of learning settings
- Be introduced to the framework of multi-tiered strategies that moves schools towards prevention and early intervention
- Draw on a variety of high leverage, whole school strategies to create a positive school climate and strong relationships with students and families that prevent absenteeism

About Us

Attendance Works advances student success and closes equity gaps by reducing chronic absence. Operating at the local, state, and national level, Attendance Works:

- ✓ Advances better **policy**
- ✓ Nurtures proven and promising **practice**
- ✓ Promotes meaningful and effective **communication**
- ✓ Catalyzes needed **research**

Since our launch in 2010, we have become the nation's “go-to” resource for improving student attendance. To learn more, visit our website: www.attendanceworks.org

Appendix: Additional Resources

Attendance Playbook: Covid Edition

- Evidence-based interventions to improve attendance
- Links to effective programs and resources
- Listed by tiers for use
- A section on monitoring attendance in distance learning
- Covid-19 modifications for interventions
- Added guidance on clean environment

Attendance Playbook: <https://www.future-ed.org/attendance-playbook/>

Implementation Guide: <https://www.attendanceworks.org/resources/attendance-playbook/>

How to Use the Attendance Playbook

The Guide to the Attendance Playbook offers practical tips for:

- Forming a team
- Using attendance data to determine the number of strategies
- Analyzing why students are absent and selecting strategies that address those reasons
- Realistically assessing your team's capacity to implement each strategy
- Selecting strategies that are likely to have the greatest impact for the lowest effort
- Making an implementation plan
- Assessing how well the strategies worked

Family and Student Engagement	Social and Emotional Learning Relationships	Behavioral and Mental health	Data Monitoring	Physical Health	Academic Support	Basic Needs
Connect family with community supports	Conduct empathy interview	Individual Plan based on Identified Needs	Intensive outreach to locate student and family and assess situation	Individual Plan based on Identified Needs	Connect with a tutor or other individualized academic support	Provision of targeted resources
Virtual/physically distanced family meeting or home visit when absences add-up	Institute Success Mentor or Family Ambassador Program	Small group counseling to provide support for students dealing with anxiety	Using absenteeism data to activate targeted supports	Assist a family with identifying a medical home / family health practitioner	Additional tech support and training for families and students	Assisting a family with signing up for public programs e.g. Medicaid, SNAP etc.
Community building to create belonging and connection	Invite families to design the school's drop-off and pick-up protocols	Individual wellness check and connectivity assessments	Personalized outreach and communication to families when students are absent	Immunization Clinic	Clear, concise and consistent communication about schedules and expectations	School Community Food and Household Goods Pantry

Physically healthy learning environment	Welcoming, socially-emotionally safe, trauma-informed school climate	A culture of continuous improvement	Home rooms and/or Advisory	Active engagement of parents and students in planning and problem solving	A leadership team that monitors attendance data
Access to tech equipment and connectivity	Access to Learning Supports	Enrichment activities and clubs	Routines, rituals and celebrations	A schedule of classes and where/how they are held	Support for all families to facilitate learning at home
